1. **CONTRACT** – These Contract Provisions and the accompanying Proposal constitute the full and complete Agreement between the parties and may be changed, amended, added to, superseded, or waived only if both parties specifically agree in writing to such amendment of the Agreement. In the event of any inconsistency between these Contract Provisions and any proposal, contract, purchase order, requisition, notice to proceed, or like document, these Contract Provisions shall govern.
2. **RIGHT OF ENTRY** – When entry to property is required for the ARCHITECT to perform its services, the Client agrees to obtain legal right-of-entry on the property.
3. **DOCUMENTS** – All reports, notes, drawings, specifications, data, calculations, and other documents, including those in electronic form, prepared by ARCHITECT are instruments of ARCHITECT's service that shall remain ARCHITECT's property. The Client agrees not to use ARCHITECT-generated documents for marketing purposes, for projects other than the project for which the documents were prepared by ARCHITECT, or for future modifications to this project, without ARCHITECT's express written permission.
Any reuse or distribution to third parties without such express written permission or project-specific adaptation by ARCHITECT will be at the Client's sole risk and without liability to ARCHITECT or its employees, subsidiaries, independent professional associates, subconsultants, and subcontractors. Client shall, to the fullest extent permitted by law, defend, indemnify, and hold harmless ARCHITECT from and against any and all costs, expenses, fees, losses, claims, demands, liabilities, suits, actions, and damages whatsoever arising out of or resulting from such unauthorized reuse or distribution.
4. **HAZARDOUS MATERIALS** – The scope of ARCHITECT's services for this Agreement does not include any responsibility for detection, remediation, accidental release, or services relating to waste, oil, asbestos, lead, or other hazardous materials, as defined by Federal, State, and local laws or regulations.

Client agrees that services provided will be rendered without any warranty, express or implied.
ARCHITECT shall exercise usual and customary professional care in its efforts to comply with applicable codes, regulations, laws rules, ordinances, and such other requirements in effect as of the date of execution of this Agreement.
7. **OPINION OF PROBABLE COSTS** – When required as part of its work, ARCHITECT will furnish opinions of probable cost, but does not guarantee the accuracy of such estimates. Opinions of probable cost, financial evaluations, feasibility studies, economic analyses of alternate solutions, and utilitarian considerations of operations and maintenance costs prepared by ARCHITECT hereunder will be made on the basis of ARCHITECT's experience and qualifications and will represent ARCHITECT's judgment as an experienced and qualified design professional. However, users of the probable cost opinions must recognize that ARCHITECT does not have control over the cost of labor, material, equipment, or services furnished by others or over market conditions or contractors' methods of determining prices or performing the work.

If Client does not pay invoices within sixty (60) days of submission of invoice, ARCHITECT may, upon written notice to the Client, suspend further work until payments are brought current. The Client agrees to indemnify and hold ARCHITECT harmless from any claim or liability resulting from such suspension.

10. MISCELLANEOUS

Mediation: The Client and ARCHITECT agree to submit all claims and disputes arising out of this Agreement to non-binding mediation prior to the initiation of legal proceedings. This provision shall survive completion or termination of this Agreement; however, neither party shall seek mediation of any claim or dispute arising out of this Agreement beyond the period of time that would bar the initiation of legal proceedings to litigate such claim or dispute under the applicable law.

ARCHITECT Reliance: ARCHITECT shall be entitled to rely, without liability, on the accuracy and completeness of any and all information provided by Client, Client's consultants and contractors, and information from public records, without the need for independent verification.

Certifications: ARCHITECT shall not be required to sign any documents, no matter by whom requested, that would result in ARCHITECT's having to certify, guaranty, or warrant the existence of conditions that ARCHITECT cannot ascertain.

Third Parties: Nothing contained in this Agreement shall create a contractual relationship with, or a cause of action in favor of, a third party against either the Client or ARCHITECT. ARCHITECT's services hereunder are being performed solely for the benefit of the Client, and no other entity shall have any claim against ARCHITECT because of this Agreement or ARCHITECT's performance of services hereunder.

Consequential Damages: Neither the Client nor the ARCHITECT shall be liable to the other or shall make any claim for any incidental, indirect or consequential damages arising out of, or connected in any way to the Project or this Agreement. This mutual waiver includes, but is not limited to, damages related to loss of use, loss of profits, loss of income, loss of reputation, unrealized savings or diminution of property value and shall apply to any cause of action including negligence, strict liability, breach of contract and breach of warranty.
