Keith

I have attached a drawing that may help clarify the floor boxes (electric and data) under the desk. When we bring the desk in, it sets over of the floor boxes for electric and data. The space on the desk is very defined so following the attached drawing is essential

As for our contact information;

Al Meilutis – Chief Operating Officer – Cell - (585) 721-2135 – ameilutis@metromattress.com
John Brown – VP of Operations – Cell- (315) 741-6590 – jbrown@metromattress.com
William Spudis - President & CEO – Will also be making site inspections along with John Brown

Please call me or John Brown with any questions
